

VESTRY STEWARDSHIP COVENANT

WE BELIEVE that the God we worship and serve is a God of abundance and will provide what we need. The resources given to us by God are not ours alone but are meant to reflect the relationship between us and God and between us and the rest of the world. We believe it is our role as Vestry to make the parish aware of the abundance flowing into and through our ministries, visions, hopes, and the community's needs.

WE COMMIT to using the gifts entrusted to the Vestry to honor and reflect the values of the congregation as followers of Jesus Christ. We will continue to discern a right relationship with God, clergy, and congregation, celebrating our trust in God's abundance as we seek to love God, one another, and our neighbors.

WE INVITE you to join us in a joyful celebration of God's abundance and gifts to us ... giving us the means to share, knowing we are secure, loved, and cared for.
